CAREER OBJECTIVE

Motivated and results-driven professional with a strong background in English language Education. Seeking a challenging position that allows me to leverage my ability to implement effective learning practices for diverse students and create engaging and interactive classroom environments.

Eager to apply my relevant experience and qualifications in a dynamic work environment, where I can further develop my skills and make a meaningful impact in guiding young minds to blossom in this ever-changing world. Also, very passionate about creativity in and outside the classroom, as a content writer and creative director.
